WELCOME TO THE 2009 STATE FAIR!

Indiana has a proud agricultural heritage few states can rival. The same can be said about our Great Indiana State Fair, which this year celebrates its 153rd anniversary. After near-record breaking attendance in recent years, I am excited to announce this year's State Fair will run for 17 days, the longest in state history, to provide Hoosiers with more entertainment and educational opportunities that will provide lifelong memories for all.

My wife, Cheri, and I have always loved the State Fair. This year, we're happy to be celebrating the YEAR OF TOMATOES and the important economic impact the tomato industry plays on the state, contributing more than \$43 million to the Hoosier economy each year. Indiana

ranks second in the nation in the production of tomatoes for processing with over 294,000 tons of tomatoes being processed in the state in 2007. Did you know Indiana plants more than 10,000 acres of tomatoes each year?

For the fifth consecutive year, Cheri will be leading the Heartland Walk for Health (August 15), and I hope you'll take time to join her on the two-lap walk around the Fairgrounds to help raise awareness about heart disease. I also expect her to try and regain the title in the Celebrity Milking Contest (August 19).

I hope you'll take some time to enjoy some of the special events planned this year, including taking a walk through the Indiana State Fair Covered Bridge and celebrate a variety of historical aspects of Hoosier living during Hoosier Heritage Day August 13. There's never a shortage of things to see, do and taste at the Great Indiana State Fair. Enjoy!

Sincerely,

Mitch Daniels

Gov. Mitch Daniels

ENJOY THE FAIR...WASH YOUR HANDS ★ ★ ★

One of the best parts of the Indiana State Fair is getting close to all the different animals. The safest way to enjoy the animals is to make sure to wash your hands after each time you have contact with any of them. This is especially true for young children.

As you stroll around the fairgrounds, you will notice dozens of hand-sanitizing stations and restrooms. Please use these to keep your hands clean, especially if you are preparing to enjoy some of your favorite Fair foods. In fact, you should make sure to clean with soap and hot water before you eat.

Be smart, stay healthy. Pet the animals, then WASH YOUR HANDS! It's the best way to enjoy your Great Indiana State Fair.

HELP US...HELP THE ENVIRONMENT!

Look for designated "Green" bins to recycle your empty plastic beverage bottles and aluminum cans.

Thanks for doing your part to "Green" the Indiana State Fair.

ENTERTAINMENT — 2009

The State Fair is filled with entertainment – it's everywhere! The daily schedules in the back of this program list everything going on each day, but here's a little more detailed description of some of the great entertainers and exhibits you can see as you stroll around the grounds.

Indiana Space Travels

This exhibit, created in partnership between the Indiana State Fair and the Indiana Space Grant Consortium, celebrates the numerous and often overlooked contributions the state of Indiana has made to NASA and United States space exploration. Located in the Grand Hall all 17 days of the fair, Indiana Space Travels traces significant aeronautic Hoosiers and events dating back to 1859 with the nation's first airmail delivery originating by hot air balloon in Lafayette. The exhibit will also include a Mars roving unit; replicas of a space capsule and the Hubble Telescope; a modular mission control board; artifacts from various space missions; and daily special guests.

The Stars of the Peking Acrobats

Featuring approximately 13 acrobats from the People's Republic of China, The Stars of the Peking Acrobats combines athleticism, choreography and pageantry in a beautifully orchestrated production that has entertained crowds all over the world. There will be three performances in the Riley Fun Park each weekday of the fair and four performances on weekends.

Wind Turbine and Solar Panels

With generous support from the Indiana Office of Energy & Defense Development and Indiana Power & Light Company in partnership with Green Way Supply, the Indiana State Fair Commission has installed a residential ready wind-turbine and photovoltaic awnings (solar panels) near the Normandy Barn on the north side of the fairgrounds. These working exhibitions can educate visitors about existing alternative energy and conservation resources available to everyone.

Purina Incredible Dog Challenge

This one-of-a-kind canine competition is in its 12th year and continues to attract an incredible amount of national attention. This challenge, which will be taped and televised by ABC/ESPN, serves as the Eastern Regional Championship with winners advancing to the finals in St. Louis, Mo. The competition, Aug. 7 – 8 in Celebration Park, consists of five events: Freestyle Flying Disc, Diving Dog, Jack Russell Racing, Agility and 60 Weave-pole Racing.

Hedrick's Racing Pigs

This fun, family-oriented show features professional pig callers and their athletic swine, complete with racing silks. Audience participation is encouraged and laughs are unavoidable as the pigs race down the "ham stretch" five times a day in the Riley Fun Park.

Timberworks Lumberjack Show

Lumberjacks are hard-working folks who love to roll on logs, climb poles and throw axes for fun... and these guys sure know how to make it fun! Gather the whole family and head to Celebration Park for one of three daily shows (four on Friday and Saturday).

Dazzling Mills Family

The Mills Family knows how to balance family and work, literally. Steve is the patriarch who puts it all on his shoulders – while riding a unicycle! He's also a three-time "National Juggling Champion" who has passed along his passions to his children. This energetic family show performs August 7 – 16 all around the fairgrounds.

Slackwire Sam

Sam Johnson, aka "Slackwire Sam," brings his unique one-man comedy show to the Indiana State Fair for eight days of fun Aug. 10 – 17. An accomplished juggler, Sam also does acrobatics and other tricks, all while balancing on a slack wire. He performs three times daily in Celebration Park.

Whacky Wheeler

Rob Summerbell is the world's only "Whacky Wheeler" and has performed at more than 10,000 parades, shows and events. His unique act combines kinetics and acrobatics to create a highly entertaining show that includes audience participation and lots of laughs. The Whacky Wheeler rolls around the fair Aug. 18 – 23.

Miss America 2009 Katie Stam

Indiana's very own Katie Stam of Seymour will spend Opening Day at the Indiana State Fair Friday, Aug. 7. The former 4-Her has been coming to the fair for years, and this day she will help preside over Opening Ceremonies, conduct a Question and Answer/Autograph session at 4:30 pm and take part in the evening National City Daily Parade.

Indiana State Fair BreakDance Battle

Dancers from all over the state will "break it down" on the WFMS Free Stage Saturday, Aug. 8 from 5 to 9 p.m. The format is a 3 vs. 3 crew competition where dancers try to impress a panel of expert judges in pursuit of the \$300 first prize.

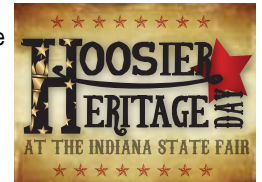

Indiana Gospel Music Association

Gospel music lovers will enjoy a great day of music Wednesday, Aug 12 from 1 to 6 p.m. in the Farm Bureau Building as Indiana Gospel Music Association members perform a variety of traditional hymns.

Hoosier Heritage Day

Thursday, Aug. 13, is Hoosier Heritage Day and will be marked by special events and presentations that will celebrate a variety of historical aspects of Hoosier living. State Fair Boulevard will be packed with displays and presentations from a number of groups, including the Indiana Historical Society, Indiana Division of Historic Preservation and Archaeology, Indiana State Museum, Indiana War Memorials Commission and many more. There will be barn raisings throughout the day in Pioneer Village and Indiana MusicFest, a free concert, at 7 p.m. featuring Indiana's own Jon McLaughlin, The Elms and The Why Store in the Hoosier Lottery Grandstand.

Chelsea House Orchestra

This unique orchestra from Chelsea, Michigan, consists of more than 20 young musicians playing everything from violins and flutes to bodhrans and djembes as it performs traditional Celtic and other eclectic forms of music. They will be part of the Farmers' Day Parade activities and have two other performances in the new Opry House in Pioneer Village on Wednesday, Aug. 19.

CELEBRATING INDIANA COMMUNITIES

Located in the Toyota Exposition Hall, "Celebrating Indiana Communities" is a new exhibit that will highlight various Indiana towns and cities by showcasing local culture, commerce, festivals, attractions, and destinations. In addition, the exhibit will showcase the lesser known treasures of Indiana by focusing a spotlight on each of the 92 counties. Focusing on one of eight geographic regions at a time, this exciting exhibit will change focus throughout the Fair, creating a "new" exhibit every few days!

For a daily schedule of the featured communities and what is representing your county, stop by the exhibit or visit www.indianastatefair.com. Join us in celebrating *your* community!

★ MOVING INDIANA FORWARD ★

At Toyota, we believe in building vehicles where we sell them. That's why we've been producing vehicles right here in Indiana for well over 10 years now. The Camry, Sequoia and Sienna are all built in one of our two plants, located in Lafayette and Princeton. And this fall, production begins in our Princeton plant on the Toyota Highlander, fueling more job growth right in your backyard and bringing Toyota's line of "American built" vehicles up to 9. Toyota is honored to support the communities of Indiana and the tradition of the Indiana State Fair.
